Filed: September 18, 2001 Docket: 703.019US3
Title: SUPPLY VOLTAGE REDUCTION CIRCUIT FOR INTEGRATED CIRCUIT

Second Request for Cited Document and
Restart of Time Period for Response

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

On January 5, 2004, applicant filed a first Request that included the following. The applicant received the Office Action mailed October 7, 2003. The Office Action included a cover page and three pages. The Office Action rejected claims 22-77 under 35 USC § 102(a) as being anticipated by Tobita. However, the Office Action did not provide any identifying information, e.g., a patent number, so as to identify Tobita. The USPTO must provide a copy of a reference and typically provides a form PTO-892 listing the document cited in an Office Action. The applicant did not receive the copy of the Tobita document or form PTO-892 as required under 37 CFR 1.104(d) and MPEP 707.05.

As the applicant is unable to find the Tobita document, applicant requests that a copy of the document be provided and the time period for a response by restarted.

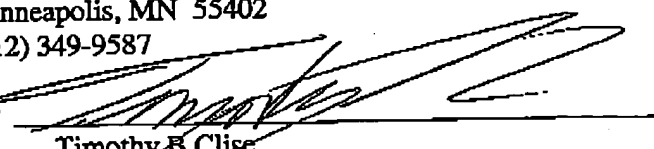

The Examiner is invited to telephone Applicant's attorney at (612) 349-9587 to facilitate prosecution of this application.

Respectfully submitted,
CHRISTOPHE J. CHEVALLIER
By his Representatives,
SCHWEGMAN, LUNDBERG, WOESSNER & KLUTH, P.A.
